### **Celebrations:**

- The APEX Fun Run for C and D tracks has started off with a bang! Thank you for your support in earning money for Silver Crest. We are excited to have money for field trips and for teachers to supplement their individual classrooms. If you have questions please call the school and ask for Matt, he is our onsite APEX Coach who will be happy to help. We are on track to double the money we raised last year. The run for C and D tracks is October 2.
- Ms. Evans, 4<sup>th</sup> grade class has had 22 days in a row with no absences. Keep up the good work! Every day in class counts and you are making it the most you can ☺
- **Our new website will go live Wednesday morning, October 1. We are excited for you to check out our new format, which we hope will be easier to navigate and find necessary information. Please note that not all information will be accessible, but the calendar, teacher email links and many other features are ready. Look for a link to be sent out in a Skylert message tomorrow night.**

### **Thank You:**

- To our A and B track students and parents for your participation in the APEX Fun Run. You did a great job starting us off on the right foot!

### **Please Note:**

- We have many students at school with various food allergies. Please be aware of your child's classroom when bringing treats in to share. We don't limit lunches or individual snacks but ask that you be cautious and help us keep all students safe when providing whole class treats. The most important things to stay away from would be peanut/tree nut products. Thank you for helping to keep all our kids safe!
- The south bus lane is not for student drop off. Please drop students off on the north or west sides of the building or by the rec center and they can walk. Thank you for your help in keeping our students safe.
- Student Led Conferences will be in November. A, B and C track are November 5<sup>th</sup> and 6<sup>th</sup> and D track will be November 19<sup>th</sup> and 20<sup>th</sup>. More information will be coming as it gets closer.
- Lunch money can now be added to multiple student accounts in one transaction and for the same amount!!! Visit Skyward Family Access, a link at the bottom of our new website to take advantage of this great new feature.
- PeachJar is going live October 1. This is the new method in which you will receive school/district fliers. You will receive an email from the District regarding log-in and password information. There is also a link to PeachJar on our website.
