2:30 - C and D track APEX Fun Run Kick-off (Run is on Oct. 2)

Wednesday, September 24 –

Thursday, September 25 –

Friday, September 26 -

Celebrations:

- Recess Before Lunch has gone smoothly. Our students are eating more lunch, wasting much less food and going back to class more prepared to learn through the afternoon.
- The APEX Fun Run for A and B tracks has started off with a bang! Thank you for your support in earning money for Silver Crest. We are excited to have money for field trips and for teachers to supplement their individual classrooms. If you have questions please call the school and ask for Matt, he is our onsite APEX Team Member who will be happy to help. Also, if you have concerns come in and talk with me, I am happy to answer questions or direct you to someone who can. Last year we made less than \$10.00 per student on our Fun Run and overworked our small contingent of volunteers. With APEX we are expecting to almost double our earnings, or better, without the majority of the work. The lessons the APEX team teaches are amazing and fit right in with the Leader in Me, teaching kids what it takes to be a leader and all of our students get an APEX Fun Run t-shirt and wrist bands. Please come in and observe a lesson and see what a great opportunity this is for our students.

Thank You:

- To the many parents who attended the Morning Mingle and/or Back to School Night for D track. Both events were better attended than the previous year 😊 Keep it up! We all benefit from your involvement.
- To the Kindergarten and Third grade families who changed to our newly added classes. We know that it can be hard on your families and we appreciate the sacrifice. The lower class sizes we are now able to provide benefit all students and increase both academic and social opportunities.

Please Note:

- School begins at 8:25am. Please make sure your children get to school on time. They miss valuable instruction coming in tardy and we love to see their smiling faces in their seats each morning.
- School ends at 3:25pm Monday-Thursday and 1:25pm on Friday.
- ***The school website is under construction and getting a facelift. We are hoping it will be up and active again within the month. We will notify you as soon as it is active and updated.
- If you were unable to complete the online registration, please watch your child's backpack, complete the paperwork and return it as soon as possible.
- We have many students at school with various food allergies. Please be aware of your child's classroom when bringing treats in to share. We don't limit lunches or individual snacks but ask that you be cautious and help us keep all students safe when providing whole class treats. The most important things to stay away from would peanut/tree nut products. Thank you for helping to keep all our kids safe!
