

Silver Crest Elementary School Community Council
Approved (11/5/2015) Minutes - Thursday, September 17, 2015 – 7:00pm

1. Welcome and Introductions

All members were introduced and the role of the SCC was discussed. We then looked at the resources for training available online.

*March Minutes were approved via email voted at the end of last year.

2. Overview of last year's Land Trust Plan and expenditures

Goal was to Increase LA proficiency by 5%, Spent \$58,463.06, Carryover \$23,740.15. Silver Crest experienced 5% growth in all Language Arts but DIBELS, in which we only saw a 1% growth. PALS saw a 18% increase, SRI 19% increase and guided reading had a 5% increase in students performing at or above grade level.

3. This year's plan

The SCC looked at this year's plan. Our goals for this year include increasing our percentage of students reading and writing at grade level by 5% and we have added another goal of increasing students performing at or above grade level proficiency in math by 2%.

4. Behavior Management Training – AMAZING, thank you!

The training took place on July 21 and 22, and it didn't cost a dime so we have \$8,000 more to spend. We had the carryover because Brian and Buddy had their schedules changed we were able to use them on a contract day so we didn't have to pay them.

Matt Davis gave a brief overview of the positive teacher effectiveness training from a teacher's perspective and Amanda Edwards talked about the school wide results of a common language of expectations and positive rewards.

5. Attendance (Tardy Bell) clarification

8:25 – first bell

8:35 – Tardy bell, all students marked tardy after

6. School Grading

We looked at and discussed briefly the School Grading and PACE Report Card

7. Review of JSD Wellness Policy AA446

Discussion regarding the policy and the Board being committed to providing physical fitness instruction and implementing nutritional practices that enhance student learning and safety.

8. Digital Citizenship

Jennifer Staley has NetSmartz assemblies scheduled to provide the digital citizenship training for our school. All tracks, all grades will be trained using this
