6:30 - D Track Back to School Night
Thursday, August 28 - D Track Kindergarten First Day
Friday, August 29 -

Monday, September 1 - No School, Labor Day
Tuesday, September 2 -

Celebrations:

- What a great start to the year!
- We had a Pep Rally in celebration of learning the Knight Code (Listen, Learn and Lead) and what being a leader looks like throughout the building.
- Students either know or are learning their lunch numbers and are actually eating more lunch as we have implemented Recess Before Lunch. It's nice to see the amount of cafeteria waste drop by 2-3 bags a day compared to last year.
- As I have been in classrooms I'm seeing the students engaged in meaningful learning activities that will keep them learning!

Thank You:

- We appreciate the PTA Board and members who have helped get Recess Before Lunch up and going, provided treats for teachers on the first day of school, and have been around doing the countless things you do to make school better for the students and staff at Silver Crest!
- To the many parents who attended the Morning Mingle and/or Back to School Night for A, B and C tracks. Both events were better attended than the previous year ☺ Keep it up! We all benefit from your involvement.
- To the Kindergarten and Third grade families who are changing to our newly added classes. We know that it can be hard on your families and we appreciate the sacrifice. The lower class sizes we are able to provide benefit all students and increase both academic and social opportunities.

Please Note:

- School begins at 8:25am. Please make sure your children get to school on time. They miss valuable instruction coming in tardy and we love to see their smiling faces in their seats each morning.
- School ends at 3:25pm Monday-Thursday and 1:25pm on Friday.
- ***The school website is under construction and getting a facelift. We are hoping it will be up and active again within three weeks. We will notify you as soon as it is active and updated.
- Be sure to complete the online registration for each of your children. It is available now, and will be open until August 31. During this process please be sure to leave multiple emergency contact numbers.
- Keep student safety your first priority during student drop-off and pick-up times. All students need to use crosswalks or get directly into a vehicle from the curb. If you are parking in the West lot, please walk across the crosswalk and meet your children to walk them back across. We have had children darting across the traffic to get to you and it is not a safe practice. Please DO NOT park in the north lot. That is for faculty only. You may use the drive-through to pick-up students, but please don't park and wave students across. There IS NOT a crosswalk on the North, it isn't a safe place for students to walk. Please be sure to encourage safety. We want all of our kids to have a great, safe school year. Thank you!
