

# Summer Reading!!

We're excited to share that Silver Crest PTA will be sponsoring and participating in the "America's Battle of the Books" again next year! All students from 3rd to 6th grade will be participating in the Battle of the Books Program. At the beginning of next year each student will receive 4-5 books they are responsible to read. All of the books will be available soon for the kids to check out from the school during their weekly library time next year. In the Spring, we will create teams that will battle each other with comprehension questions until we find a schoolwide winning team! There are lots of awesome prizes available to the kids and it's such a fun program to get the kids excited about reading and talking about the books!

**There will be more information coming home on this and lots of volunteer opportunities- so please keep an eye out!**

**For now, we would love for all of the kids to get a head start and begin by reading any or all of the books from their grade's reading list that catch their interest!**

**There's so much time for reading over the summer, these lists are a great place to start!!**
