4. Follow up and next steps with the emergency kits

Discussed what we need to put the materials in. The optimal size for holding, storing and being able to move in the case of an emergency. Wal-Mart won't donate items but we can write a letter for a grant to get all materials provided. Bethany will get the info to Bruce and Bruce will write the letter to Wal-Mart. Matt will check with Lakeshore to see what they can do to help with the cost of the teacher pull carts as an option. Shannon and Amanda are meeting at the school to dig out materials and put one kit together to know the size, we will email the measurements to members to see what thoughts we have. All materials need to be out of the shed by snow-fall so the plow can get out.

5. Safe Walking Route (SNAP Plan due dates moved to January)

Discussed creating a survey to collect community concerns so we can have them ready for the November meeting.
