

I'VE GOT THE **POWER**

WHITE RIBBON WEEK MAY 8TH - 12TH

Dear Parents,

Next week, **May 8th - 12th** is **White Ribbon Week** at Silver Crest Elementary to promote making smart choices in media and online. Our theme is **"I've Got the Power!"** We want the students to learn that they have power over what they see, share, and do with media and technology. While we will be sharing short messages at school that will help them gain power in internet safety, the most powerful teaching will come from you at home. Please take the opportunity each day to teach and expound upon the messages they will be learning at school.

Each day we'll have a *"Power Boost"* message given in the morning and a fun, daily activity the students may participate in. At lunchtime, the PTA will have a table set up in the lunchroom where students can recite the *"Power Boost"* message to receive a treat or prize. Please help your child memorize the *"Power Boost"* and encourage your child to come to the *"Power Table"* when they have finished lunch each day.

THANK YOU!

Silver Crest PTA
