

2017-18 Land Trust Plan Summary

Our goal was that 95% of enrolled students would show growth on the Language Arts Student Learning Outcomes testing. 98% of our students showed growth.

Land Trust money supported this growth by providing teachers time during Specials to work with individual students, analyze student data, and plan for quality instruction. 14 teachers attended the Solution Tree PLC conference in September and used the information to improve instruction. Assistants helped teachers use iReady to help all students learn at their own level. Land Trust moneys paid for Carol Ramsay and Leslie Black to become ESL certified so they could better reach English Language Learners.
