

School Community Council Application 2020-21

As directed by the Board of Education and the State Legislature, each public school must have a School Community Council (SCC) made up of parents/guardians whose children attend the school. The SCC provides input on school improvement plans, school activities and safety concerns.

We currently have 4 open positions on the council for a two year term. If more positions open up we will elect more members. We meet 4 times a year. If you would like to serve on the SCC, please complete this form and return it to the front office by September 4, 2020.

If more than 4 parents express an interest in serving on the SCC, an election will be held Tuesday, Sept. 8th through Friday, Sept. 11. Voting will take place electronically. New members will serve for years.

I am interested in serving on the Silver Crest School Community Council for the 2020-2021 and 2021-22 school years:
